1904-Virginia, 9; Georgetown, 6.  
1905-Virginia, 17; Georgetown, 6.  
1906-Virginia, 12; Georgetown, 15.

Special to The Washington Herald.

Charlottesville, Va., Nov. 14.—In the presence of a crowd almost as large as usually see a match game, the Virginia eleven this afternoon had its final work-out before the Georgetown game.

There was no scrimmage, yet the players were kept on the field nearly two hours. A variety of open plays, which the team hopes to use Saturday, were rehearsed, and there was a long signal drill. Crawford showed some of his old time form in kicking. Field goals were attempted from various angles with much success and altogether the showing made was very satisfactory. All of the regulars were back in the line-up, including Holladay, the tackle, who has been out of uniform the entire week.

The undergraduates were much in evidence and gave the team great encouragement throughout the afternoon. Headed by a band composed of students they rehearsed songs and gave college yells. Late in the afternoon they jumped down from the bleachers and marched in pairs around the gridiron, keeping up a perfect din. Leaving the field they marched down into the city, singing and cheering and burning red lights along the way.

#### No Changes in Line-up.

Judging from the way the players lined up for the last signal drill the line-up for the Georgetown game will be the same as the opening of the Washington and Lee contest.

The squad, numbering twenty-five players, will leave Union Station on the 11:45 train to-morrow morning, accompanied by the coaches and Trainer Langan. While in Washington the men will be quartered at the Arlington Hotel.

Many of the students will go down to Washington on the afternoon train to-morrow, but the majority will wait for the football special, which leaves Charlottesville at 5:22 Saturday morning, reaching Washington at 8:30. A stop will be made at Orange to get the Woodberry Forest eleven, which meets the Episcopal High School team on the latter's grounds Saturday morning. Many of the students, alumni of the two institutions, will stop off at Alexandria to witness the contest, which will be for the school championship of the State.

It is estimated that fully 900 students will go to Washington. They will be accompanied by the Stonewall Band, of Staunton, which comes down to-morrow afternoon in time to give a concert in the Capital Hall. On that occasion all the yells and college songs will be rehearsed.

#### PRINCETON IS OVERTHEW.

Roper Admits that Tigers Have Had Too Much Work.

Norfolk, Conn., Nov. 14.—Princeton's football party, numbering twenty-nine, reached the Norfolk Inn shortly after ten o'clock this morning and were in fine spirits. The two hours before luncheon players and coaches spent in looking over the surrounding country and enjoying the invigorating air of the hills.

At 2:30 this afternoon the men appeared clad in uniform and were hastily driven to the athletic field of the Robin School. Coach Roper sent the two elevens through a ten-minute signal drill, followed by a scrimmage of perhaps fifteen minutes. Harlin then practiced drop kicking and proved that his toe is just as accurate in high altitudes as on Jersey soil. No one was injured in the scrimmage, although it was at times as fierce as an actual game.

Tonight in the game Coach Roper said that his men were overtrained and out of sorts generally, but he hoped the change of environment and atmosphere would pull them together.

#### CHICAGO CAPTAIN ILL.

Maroon Leader May Be Unable to Face Carlisle Indians.

Chicago, Nov. 14.—Captain Leo De Tray, of the Chicago football team, is on the hospital list, and may be out of the running for the Chicago-Carlisle game. The Maroon leader was taken sick in practice at Marshall field and was sent home with an attack of the grippe, which will keep him out of the game for the greater part of the week at least.

De Tray was feeling weak and ill before the practice session started, and was unable to work in anything like his usual form. Coach Stagg stood by him to remain in his place at left half for a few minutes only, when Dr. Raycroft examined him and declared he would have to go to bed for a couple of days to avoid a bad attack. According to the physician, De Tray must remain in bed instead of helping his men in the crucial work for the big game of the season.

#### Penn Scrubs Disgraced.

Philadelphia, Nov. 14.—The University of Pennsylvania scrub team had a steady practice at Franklin Field yesterday for Saturday's game with Tome Institute. The students are wrought up over the action of the Athletic Association in not taking the members of the scrub team to Ann Arbor, and also leaving behind two varsity substitutes. The students have started a subscription to send the scrub eleven to the game. No little unfavorable comment has been caused by the action of the association in taking nine coaches and three managers, when such deserving men as the scrub players were left behind.

#### Football Score by Wireless.

Worcester, Mass., Nov. 14.—Manager Smith, of the Worcester Academy football eleven, has completed arrangements with a wireless telegraph company whereby the result of next Saturday's Worcester Academy-Williamson game and other college games is to be sent via the wireless stations to President Daniel Abernethy, who is recuperating in Florence, Italy. The game is to be played on the local gridiron. It is the first instance on record of the score of a football game going wireless to Italy.

#### SMOKE

#### TWENTIETH CENTURY

The Cigar Without an Equal.

## PENNSYLVANIA IS CONFIDENT.

Every Quaker Believes that Michigan Will Be Defeated.

Lakeland, Mich., Nov. 14.—If confidence wins football games, Pennsylvania has already clinched Saturday's contest with Michigan. Every player in the party lodged here says that victory is certain. The feeling of confidence is so strong that it may lead to overconfidence, and this is what the coaches are trying to guard against. They are continually telling the players that the Michigan game will be the most stubborn contest of the schedule.

The Quakers were out bright and early this morning and took a brisk walk in the fresh, crisp morning air. The Quakers appear staid. Their faces show the lines of worry and the marks of hard training.

Trainer Murphy declares the team's physical condition is equal to their mental condition, and the latter is the best since every man believes Michigan will be defeated. Apprehension is felt over the condition of Trainer Mike Murphy. The latter was ill Wednesday and took to bed.

### GEORGETOWN ENDS PRACTICE

Team Has Last Scrimmage Before Virginia Game.

Scrubs Put Up Stubborn Fight and Players Are Tired Out When Work Is Over.

For one hour and a half yesterday afternoon the Georgetown varsity and scrubs engaged in the final scrimmage before the game with the Blue and Gray squad.

Not since last fall has the Blue and Gray squad been put through such a grueling practice, and when the coaches finally sent the players to the gymnasium it was so dark that it was difficult to follow the ball.

No regular game was played, but instead the varsity would have the ball for fifteen minutes to try out plays, and then the oval would be transferred to the second team to test the varsity defense.

Percy Given, the greatest center Georgetown ever had, and "Bunny" Larkin, the half back, played on the scrubs part of the time, and these two former stars did most of the work. Larkin got off for a number of long runs, while Given proved a tower of strength on the defense. Before the scrimmage these two graduates, together with Dr. Reilly, the head coach, spent considerable time coaching the men in their individual positions.

It was thought that Morris Barry and Branch Bock, who captained the last two teams to meet Virginia, would be on hand to help in the coaching, but as both men have officiated at Charlottesville this fall, they could not be called upon to coach against that team. Both these former captains, together with ex-Capt. Mahoney, '04, sent their best wishes to the team.

Capt. Dwyer, of Georgetown, and Capt. Neff, of Virginia, have finally decided upon the following officials for to-morrow's game: Referee, Mr. Armstrong, Yale; umpire, Mr. Olcott, Yale, and linesman, Mr. Gass, Lehigh. Thirty minutes of the team for the day.

At a mass meeting at Georgetown last night arrangements were perfected for cheering to-morrow. A band was engaged and a section in the west stand, in charge of Howard Smith, '07 college, who will lead, was reserved.

#### YALE TESTS DEFENSE.

Blue Has Final Hard Practice Before Princeton Contest.

New Haven, Nov. 14.—At Yale Field this afternoon the varsity went through the final scrimmage in preparation for the Princeton game.

After ten minutes of secret drilling, in which there was no scrimmage, the varsity and scrubs were lined up. The regulars were set to defend their goal line from the fierce attacks of the second eleven, which was given the ball.

"Varsity" yard line time and time again. The defense was impregnable for fifteen minutes, but Denny finally slipped through a hole, and scored on the varsity. This ended the work of the team for the day. "Dad Jones did not play, and Howard Jones was kept out of the scrimmage, which his injured ear may have a chance to heal before the Princeton game. To-day's work was simply designed to develop the defensive play and to keep the men in condition.

To-morrow the first two elevens will be given a complete rest, with the possible exception that a signal drill may be gone through to relieve the nervous tension.

## COMING TO BENNING

Thousand New Yorkers Will Attend Fall Meeting.

### OTHERS WILL GO TO THE COAST

Poor Season on Metropolitan Tracks, Together with Fact that Ready Money Is Unusually Scarce, Has Put Many Layers of Odds Out of Business for Benning Meeting.

New York, Nov. 14.—When the last race has been run at Aqueduct to-morrow there will be a general exodus for Benning.

The Cavanaugh special train will leave Jersey City about 7:30 o'clock to-morrow evening with about 1,000 regulars bound for the Washington track. In addition to the bookmakers, owners, trainers, jockeys, and players will make up the party. The "walkaround" method of bookmakers, which was in vogue at the spring meeting, will prevail again. Those who do not go to Washington to race will either return to winter quarters here or make the trip to New Orleans, Los Angeles, or Oakland.

There will be nothing like the number of layers of odds going to Washington this fall that have gone in other years, mainly on account of the scarcity of ready money.

Every day the ring is tighter, and certified checks are almost as worthless so far as the holders' being able to get them cashed is concerned. The following bets have signified their intention of going to Benning:

Sol Lichenstein, William Beverly, Dan Donnelly, Orlando Jones, Charles Henry, T. B. Alexander, E. J. Callahan, L. Gilbert, George Levy, M. Manheimer, M. Marks, P. Morgan, H. Quinn, Mark Reardon, Harry Cohen, Henry Schopp, William Snow, Leo Schwartz, and Peter McGrath.

Of the prominent players, George Wheeler, like Hakeberg, Al Stokes, J. Moran, and others will be on the ground as usual. Clubhouse commissioners will be there in force—John Walters, Frank More, R. C. Duggett, Billy Du Bois, and one or two others.

#### READY FOR SWARTHMORE.

Cornell Scrubs Use Pet Formations of the Quaker Eleven.

Ithaca, N. Y., Nov. 14.—The Cornell varsity was sent against the Swarthmore formations which the scrubs faithfully represented to-day, and in a short while scored one touchdown without difficulty. Most of the game was devoted to a test of the varsity defense, and the scrubs again used the formations which the visitors are expected to put out on the field Saturday.

On an on-side kick, which McCollum followed nicely and brought forward 25 yards. The teams were made up about the same as yesterday, except that Earle, who had been laid off for three days, appeared at left half back. The rest seemed to have done him a world of good. He made a pretty 45-yard run on a fake and run which was turned out to a wide forward pass and entirely fooled the scrubs. Walder, McCallie, Watson, Van Orman, and Lynch were all on the field, but although all got into the tackling and punting practice, they were kept out of the scrimmage. Cosgrove has developed a nasty case of charley horse, which may keep him off the Swarthmore game. Lynch is still off color, but the rest of the men are in good condition.

#### FIGHTING SPECULATORS.

Ticket Vendor Is Arrested on the Campus at New Haven.

New Haven, Conn., Nov. 14.—Speculators have obtained tickets for the Princeton game, but police and college authorities are uniting in an effort to suppress the business, one arrest having been made. This afternoon it was noised about that speculators with tickets for the game were in action on the campus. Detectives arrested the alleged leader of the speculators who was pointed out by a crowd of students. The man under arrest gave his name as J. Dett, of New York City.

This is the first case to come before the courts under a stringent ordinance. It is said that a test case is to be made of it, backed by men who have made much money heretofore dealing with the college men. Every effort has been made to keep the football tickets out of the speculators' hands, but this having failed the college men propose to fight the traders to the last ditch.

#### Danville Loses Three Players.

Lynchburg, Va., Nov. 14.—Tydemar, Ruelinhardt, and Flowers, three of this year's Danville team, in the Virginia League, who have been reserved by that team, have been awarded to Orangeburg, of the Carolina League, where they played prior to the close of the season in Carolina before coming to this league.

This is a hard blow to Danville, as all of these men were counted on for good work next year. The same condition applies to Second Base, as Wynne, who finished the season with the locals.
